LITTLE MISS GEM TRAVELS

MEDIA KIT

GEMMA GOODMAN

If you are reading this page I'm assuming it's because you would love the opportunity to work with a mildly socially-awkward, cat-obsessed, odd sock-wearing, thirty-something who occasionally suffers from anxiety and serious bouts of travel sickness.

If so, then I'm your girl.

ABOUT THE BLOG

The primary focus of this blog is to encourage and inspire everyone and anyone to fit travel around their day jobs and explore the world one step at a time.
